## Teacher Information

- ✓ Be on time every day and come in prepared to work. On time means you are in the classroom BEFORE the bell rings. You get two "free" tardies. The third and fourth tardy will result in a 30-minute detention after school. The fifth and sixth will result in a full day in ALC. Further problems will be dealt with by administration.
- ✓ Be respectful, this includes showing respect to the teacher(s), students and classroom and personal property.
- ✓ Bring all required materials to every class.
- ✓ Remain on task and complete all your work with care and pride in what you are doing.
- ✓ Keep all graded assignments! Your teacher is human and could make a mistake. Your RED folder is your math folder and all graded work should be kept in there until you are instructed by the teacher to clean it out.

## Classroom Expectations

You are expected to come to class prepared to work each day!

You will need every day:

Pencils and Erasers, Notebook Paper, Composition Book, Highlighter, Pen, Dry Eraser Marker, Math Folder (red)

If you come to class without the required materials, you need to ask someone to borrow what you need for the day. Chronically coming to class not prepared could result in you taking a tardy to go to your locker to get needed materials.

## Supplies Needed for Class

Tests: 100 Points  
Homework: 10 Points  
Classwork: 25 Points  
Quizzes: 50 Points  
Comp Book: 50 Points per unit

There is NO busy work in the classroom, if you are asked to do it, you will be graded for it.

Homework assignments can be corrected at any time unless it was LATE or INCOMPLETE to start with. If you can turn it in on time, you do not get the benefit of making corrections.

If you are unhappy with a test or quiz grade you will have one opportunity to make corrections.

Late work is discouraged but accepted. You will lose an automatic 30% on any work not completed when we grade it together during class. Also you will be required to come in during guided study to grade and turn in your work.

If you are absent, check the calendar on the bulletin board to see what you missed. If you have any questions, ask a classmate and contact teacher.

## Grading Procedures & Policies
